The Installation Dinner will be held at the Clubhouse on Wednesday night, January 18, 1967, so make your plans now to attend.

The Christmas Dance which was held on December 10th was one of the all time great successes. Enough congratulations cannot be given to our outgoing entertainment chairman, Don Birrer, on making this dance a great success. The dance was attended by over 170 people which is also an all time high. The dinner which was prepared by the Master Chef, Pete Campana, was once again a masterpiece. As Nat Calegari says about Pete Campana, "he is not a cook, he is an artist".

There will be a handball dinner held on Saturday night, January 7, 1967, under the direction of Rudy Stadlberger. These dinners are always a lot of fun, so see Rudy about making reservations to attend.

Please remember that the assessment of \$30.00 must be paid in full by January 31, 1967. Your check can be sent either to Jack Cronin, 1727-31st Avenue, San Francisco, 94122, or, George Birdsall, 1909-11th Avenue, San Francisco, 94122. Please, if you have not already done so, send in your assessment as soon as possible. The Club already looks great but there is so much more that has to be done and we need the money to carry out our plans.

Congratulations and Deepest Thanks to outgoing President, Bob Maxwell, who has been President for two difficult years. Our Club has had many fine Presidents but none better than Bob. It has been said that he worked for the Club 28 hours a day and looking at the Club, and the new spirit which prevails, this certainly can be believed.

Hope to see you at the Installation Dinner on January 18, 1967.

Dave Gallagher  
Vice-President
