FROM THE PRESIDENT:

I would like to thank the Board of Directors for the tremendous amount of help they gave me throughout the past year. This Board has to be one of the best any president has ever had. We were able to accomplish many projects around our club. Thanks again Fellows.

Also I would like to thank the entire membership for all the support I received during the year. Working with fellows like this makes the Presidents' job much easier. Again thanks to everyone. Best wishes for a Happy Healthy New Year.

SWIMMING NEWS:

Swimming Commissioner Bob Roper set a new record in the rough pier 431/2 swim, he bettered the old mark by two seconds, he was chased through the rough waters by Frank Blair who finished 2nd and Frank Coughlan who finished third, Don Kienan finished 4th. Bob is promising some swims during the winter months if for no other reason to keep George Farnsworth off the streets.

Our Nov. 18th, one day tournament was won by Rich Hackett and Jay Kent over Jim O'Brien and Jim Ferguson, with about 30 players participating. An excellent Mexican dinner was served afterwards by Ed Arias and Joe Kukula.

We will again be visiting the San Diego Rowing Club on this Washington's Birthday week-end.

We will again be visiting the San Diego Rowing Club on this Washington's Birthday week-end. Highlighting the week-end will be handball, shopping in Tijuana, jai-alai, and a visit to a Mexican Restaurant.

Our annual Masters Doubles will start on Jan. 6th with some preliminary matches on Saturday, December 30th. Schedules will be mailed to all participants. Nineteen teams have signed up. Last years champions of Brennan and Dill are not defending their title, so every team has a chance to win.

We have four entries in the Bay Counties handball league. The "B" group has the best record so far with a 95-15 point total score. The "AA", "A" and "C" groups are all either 2nd or 3rd in their respective leagues with still a chance to win a division. On the day of the installation of our new officers on Jan. 27th, a one day handicap doubles tournament will be scheduled. Check our bulletin board for details on all handball happenings.

Remember to make plans now to attend the installation Dinner-Dance on January 27th, incidently, copies of Nat Calegari's Christmas speech will be soon available for distribution. Nat promises even a more meaningful speech on the night of the installation dinner.
