HANDBALL NEWS

The South End Rowing Club had the largest contingent of any club at the Fresno Regionals handball tournament. Gary Ryan came in 2nd in the open singles, losing to No.2 rated of the country, Steve August. Mike Kelly and Mike Dunne finished 2nd in the open doubles. Howie Wyrsh, Rudy Stadlberger and Dino Pezzi made very good showings.

A group of 20 handball players and wives traveled to the San Diego Rowing Club for some handball and Tijuana sight-seeing over the Washington's birthday weekend. We also had a lot of our players at the Stockton tournament on February 26th.

Our annual "Singles" tournament will start at 9 A.M. on Saturday, March 11th and the 1st round will continue on Sunday, March 12th. Please note that the courts will also be reserved for tournament play on Tuesday, Wednesday, and Thursday, March 15, 16 and 17th from 5 P.M. to 9 P.M. Those handball players who reschedule their matches are not entitled to special consideration as to court use at non-scheduled times. Our finals are tentatively set for April 1st. Non-tournament players, please check the bulletin board for times when the courts are reserved. Oh yes- the finalists of our top 4 classes will have their names inscribed on our perpetual trophies.

Plans are underway for our annual Memorial Day week-end tournament. Committees have been selected, but more help will be needed. We have promises of attendance by some of the biggest names in handball. Last year, five National champions appeared in our tournament.
