HAND BALL NEWS

The annual "Doubles" tournament has just about come to an end. Al Masyk and Frank Spiller showed that experience triumphs over youth by beating George Luna and Jerry Dunn in two straight games to win the "B" Class. The team of McGee and Calkins won the First Class Doubles over Arias and Engler. Nedd and Tarantino proved too strong for Muniz and Resondo in the Jr. Champ. Class. In the Championship Class, Rudy Stadlberger and Ron Earl will meet Tom Fleming and Hal Solin in the finals to be played on Saturday, Nov. 18th at 3 p.m.

The Bay Counties handball league starts the week of Nov. 14th. Matches will generally be played at 7 p.m. on either Tuesday, Wednesday or Thursday nights. Check the bulletin Board to find out when the matches will be played on our courts and as to when our teams will be traveling to outside courts.

Our annual visit to the Sacramento Elks was held on Saturday, Nov. 11th. About 25 club members and many wives made this trip.

The Western Regionals will be held in early February at the Olympic Club.

Our annual Masters - "Doubles" tournament will be held in January. It is expected that the better players will select a weak player as a partner so that every team will have a chance to win some matches. This will be a "fun" tournament, but only if hot-shot players don't team up together.

Now that we can see how much better the lighting is in Court #2, let's get after the Board of Directors to approve the installation of new lights in Court #1. If two or three donors want to sponsor the whole bill, we could name the court after them.
