## Handball News: Al Maysk Commissioner

Congratulations to Frank Gallagher and Rudy Stadlberger for their inspiring come from behind win in the Master Doubles tournament, also to Al Maysk and Howie Wyrsch for their tremendous play and never say die attitude in finishing second. The annual Doubles tournament was concluded in two weeks with the following winners:

## Championship class

Jin O'Brien and Pete Colichidas

## Junior Champs

Bob Nedd and John Tarantino

## First Class

Norm Peterson and Tim Cassidy

## "B" Class

each. This tournament is open to all players who will represent the South End Rowing Club exclusively in the Regionals. Award winners have to participate in the Regionals as a Southernder in order to collect this award.

For you older players who have been shying away from tournaments, two new tournaments have been set up especially with you in mind. At the insistence of Tony Spinetti and Larry Lahh, in January, we will have a Senior Masters singles tournament for those 60 years of age or older, plus a Golden Masters singles for those 50 years of age or older. All you brainy handball players, be sure to sign up on the bulletin board. Our Bay Counties Doubles league handball teams have recorded a combined 15 win 6 loss record up to 12/15/73.

Swimming Commissioner Bob Roper:

Frank Coughlan won the annual Thanksgiving Day, SERC and Dolphin Club Yacht Harbor swim in 44:15. Second was the incomparable George Farnsworth followed by Bill Towing.

On January 1, 1974 the SERC will hold its annual New Years Day Swim. This year Dolphin Club members are invited to attend. Water temperature is estimated to be 51°. Water taxi service at South End will be at 10:45.

Please remember that that any time you take out a boat you must have a life preserver for each person in the boat, if not your are in violation of Coast Guard regulations. Parents please either watch and care for your children when in the Clubhouse or hire a baby sitter and leave them home. A tragic accident could occur when children are left unsupervised in the Clubhouse.

Congratulations and Thanks to President Chuck Waller for two outstanding years of service to the Club as president. Chuck will receive the Joe Peradotto award for outstanding achievement at the installation dinner. I would not say that these two years have been hard on Chuck however he has been noticed on many occasions sitting on the end of the pier talking to Sagulls.

At a recent general membership meeting the proposed motion to restrict the Board of Directors meeting to Board members only was defeated after some spirited debate.

Please contact Ray Savigliano for reservations to the installation dinner as a special attraction Tom Rice will have an exhibition wrestling match with Jack Cronin.

Merry Christmas and Happy New Year.
