ENTERTAINMENT

St. Patricks Day is one of the highlights of the Club each year.

This year St. Pat's is to be celebrated on March 15, 1975. A great deal of preparation is always necessary to make this event successful. The cooperation of as many members as possible is requested on the nights of March 13-14 for the purpose of decorating and the setting of tables. Try to give a couple hours of your time on these nights. Thank you.

IN MEMORIUM

Many of us who were close to our recently departed member and friend, Lou Carella, know of the many great things he has contributed to the Club.

At the Board of Directors meeting of January 20, 1975 a resolution was passed to name our newly completed kitchen to the memory of this fine man. A placque bearing his name will be posted in the new facility.

To commemorate this day a champagne party is being planned for March 9th 1975 between the hours of 3:30---6 p.m. Members and their wives are invited to come. No children please.

Your prompt response to this announcement would be greatly appreciated by calling any of the committee below:

Thank you.

SCOOP

It has been rumored that a couple of our most prominent members are heading for that long walk down the aisle. Congratulations Pete Campana and Ray Savigliano. P.S. A double header at that!

HANDBALL NEWS

Approximately 50 Southenders participated in the "Regionals" held in Modesto the week-end of Feb. 1st. Rudy Stadlberger and Dino Pezzi continued with their fine performances by coming in 2nd to the National Champions Aguilar and Enriquez in the Master Doubles. Ron Earl and Goffstein won the Open Doubles over Mike Dunne and Packer.

Coming handball events are: Golden Master Singles to be played the latter part of February and the annual singles in 4 classes starting the first part of March. Please note that an official entry blank must be signed and the \$ 3.00 entry fee must be remitted to Al Masyk before you are officially entered in the Singles tournament. Entry blanks are posted on

the bulletin board.

The handball committee would like to know who is going to the Nationals in Las Vegas starting April 13th. Please sign the sheet on the bulletin board if you plan on playing in the Nationals. Some funds are available for those representing the SERC, and the committee will decide who is entitled to some of the funds.

Modesto and our club will be sponsoring a home and home arrangement for an all day affair involving swimming, food and refreshments and activities for all the family. More about this later.

In the recently completed Master Doubles tournament, the 1975 champions are Frank Spiller and Dino Pezzi who bested Howie Wyrsh and Al Masyk (the perennially 2nd place finishers).

It appears that we are finally going to have a Nor-Cal Singles tournament. Plans are for a April 26th starting date with the finals on May 4th.

Another caution remark on rules for "Visitors". Due to the extensive use of our handball courts by members, no visitors are allowed between 3 p.m. and 7 p.m. during the week, and not until after 2 p.m. on Saturdays or Sundays. This rule applies to Bay Area visitors. Visitors from the valley, or down state Calif. or from out of state are welcome anytime.

We are requesting help from our members in assisting us to find any historical memorabilia of our Club. Be it pictures, printed matter, memory or what have you. Thank you, Pat Cunneen - 992-2132 or Frank Coghlan - 661-2298

It's that time of the year again for the S.F. Bay to Breaker Classic. May 18th. How about getting in condition and having a good So. End. Tournout. The event has become more of a happening than a race for 90% of the people. So don't be too concerned about your time, just come out and participate.

Patrick Cunneen - Running Comm.

P.S. Show your S.E. colors - wear a S.E. shirt if you have one.

Starting March 1, 1975. Prize for the first rower to row 100 miles and each time any person rows the distance to be loged - Honor System. The log book is to be posted in the club. - Doubles - $\frac{1}{2}$ credit.
