## MESSAGE FROM THE PRESIDENT - RICH HACKETT

The Board of Directors of 1975 are off to a good start, Rowing Commissioner, John Lynch is looking to purchase 2 new boats that would be easy to handle, Swimming Commissioner, Dennis Rice has taken a big stride forward with the introduction of age group swimming, Al Masyk has already held 3 major club tournaments. I am exceptionally pleased with Pat Cunneen our Running Commissioner for his total interest and help in all activities. Thanks to chairman Nat Calegari, St. Patricks day was a great success. The new floor in the handball court is finished thanks to all the contributors. Activity Day, May 10, 1975, was lacking in attendance of oarsmen & swimmers due. I understand to the short notice. I would like to have another day focused around rowing races & instruction. There will be a poster at the top of the stairs for all that are experienced or desire to learn to row, please sign up.

Projects for the second half of the year being considered are: sundeck, new front to building and walk-in refrig. box back by kitchen.

Contractors that could advise or would like to bid on the remodeling of building front please contact Rich Hackett or John Tarantino.

## HANDBALL COMMISSIONER

Our handball players did extremely well in the Nor-Cal singles which was concluded on May 4th. Bob Keller was a pleasant surprise by getting to the finals in the Championship Class against Mike Treacy who beat Bob in 2 straight games. It was Ken Cauwet in the Jr. Champ class. Our 3rd winner was Dave Mathis who took 1st place honors in the First Class division.

Our duo-meeting with Modesto on Sat. May 10th was a huge success. The Sportsmen's Club showed up with 25 players plus their wives and we kept players in a constant stream of doubles matches. The Stadlberger family, John, Cathy & Rudy, deserve much praise for their excellent handling of hospitality. Our players are invited to Modesto for a days outing on June 14th.

We are looking forward towards our annual Memorial Day tournament and several nationally ranked handball players have already mailed in their applications to play.

Ahead of us are tournaments in June at Stockton & Golden Gate Park and the 4th of July tournament at Santa Barbara. Looks like a very busy handball schedule for the next two months.

Rudy Stadlberger & Dino Pezzi finished 3rd in the nationals in the Golden Master Doubles which is quite an achievement.

Also, Mike Kelly came in 3rd in the open doubles with Mike Treacy as his partner.
