1977 August 13

As most of you are aware, construction is well under way for the new facilities for the women members. We are enlarging the locker room, adding a Sauna and adding a new shower facility. If all goes well, this project should be finished by the end of August.

To bring you up to date on our law suit, we will be appearing before the Federal judge on September 8th and we are optimistic that the case will be settled at that time. One of the recommendations of settling the law suit was that we revise our by-laws to comply with Federal regulations. At the meeting in July of the Board of Directors, these by-laws were approved. We now need ratification from the general membership. Therefore, we will be holding a general membership meeting on September 7th at 6:00 at the clubhouse to discuss the ratification of the by-laws and any other items that you wish to talk about. Copies of the revised by-laws are posted at the clubhouse.

The club seems to be running smoothly. We are doing quite well on the reduced water consumption.

I realize that there has been a lack of communication and that is because we haven't been able to get a bulletin out to you. It seems it is a difficult task and a time-consuming one. Anyone who would like to volunteer to be the editor of our South Ender, please let me know.

On August 27 and 28 there will be a handball-handicap tournament. On Saturday night there will be a Scaloni supper for \$4.00. Contact Don Birrer for more information.

On Sunday, July 10, Southend Rowing Club went salmon fishing. While only four Southenders made the trip, all eleven people on board caught the limit (3 fish per person). John Sullivan, Tony Gibson, John Brennan and Don McPherson agreed a fine time was had by all. Another trip will be arranged in a few months.

The S.E.R.C. would like to hold some type of rowing event. We would like to have your ideas about the type of events in which you as a membership would like to participate. Also indicate if you would offer your services. Contact Bob Keller or leave a note on the Rowing Bulletin Board.

DON'T FORGET GENERAL MEMBERSHIP MEETING 9/8/77 AT 6:00. PLEASE ATTEND!
