## HANDBALL COURTS PAINT WORKERS

Every club member should give a great thank you to Chairman Don Birrer and the following people who donated part of their weekend to washing, painting and re-lamping both handball courts: Hector Valencia, Bob DesMeules, Dennis Moser, Bob Maxwell, Carlos Ortiz, Ross Aragon, Ray Savigliano, Jim Hagerty, Bruno Botto, Johnny Laginja, Ray Brennan, Hoot Gibson, Chuck Quartos, Jurdy Hughes, John Brennan, Bob Keller, Mike Kelly, Bob Upchurch and Bob Bradford. That is nineteen club members who participated in a money-saving project for all of us. This is the kind of cooperation we need to get some of our projects accomplished this year. Help us all to have a better club. Thanks again to the workers.
