### CHRISTMAS PARTY - DECEMBER 1, 1979

Sign up sheets are posted on the various bulletin boards at the Club. This will be a type of pot luck dinner at which each attendee will bring \$5 worth of prepared food. J.B. Sullivan promises a good time for all, and if such is not achieved, he may be tossed in the bay. See the sign-up sheets for the exact time and which items need to be brought.

### TARANTINO MAGIC

There is great news to report regarding our lease. After working many hours, perhaps hundreds, our President John Tarantino has succeeded in securing a 25 year lease with the City. Our rent will be 10% of our gross income. The Southenders, one and all, should be deeply indebted to John for his untiring fight to keep us where we are.

### BOAT HOUSE CAPTAIN'S REPORT

The locker situation is tight. The roof does not leak anymore, especially when it does not rain.

### BOARD OF DIRECTOR'S INSTALLATION DINNER    SATURDAY JANUARY 5, 1980

The banquet will be on Saturday the fifth of January 1980, at 7 p.m. Tickets will be \$8.00 each which includes wine. See any member of the Board of Directors for tickets.

### BAD NEWS, GOOD NEWS....

George Paiva had a heart attack on 10/3/79 which would have put most men down for the count, but typical of George, he has battled back against the odds and is already walking around. His old familiar mug will soon be seen down at the Club again. George has made a tremendous contribution over many years to the Club as our Recording Secretary.
