

# WOMEN'S LOCKER PLAN

- There are enough lockers in the new locker room for all regular(not out of town) women members to have one if they want one. The locker fee is \$125. All lockers are approximately the same size as the current large lockers. (Slightly narrower.)
- If you had a locker in 2016, pay the 2017 locker fee when you renew your membership.
- If you did not have a locker in 2016, you will receive a bill for the 2017 locker fee.
- A survey will be sent to all regular women members via email from [sercelection@gmail.com](mailto:sercelection@gmail.com) before the end of January.
- You will be able list your 1st, 2nd and 3rd choice by area (A through F) and top/bottom.
- Lockers will be assigned to members according to the ranked choice by seniority in the club. Whether you had a locker in the past is not a consideration.
- Locker assignments will be announced when the project is complete.
- Please prepare to select a locker by: adding [sercelection@gmail.com](mailto:sercelection@gmail.com) to your email contacts, renewing your membership, and making your choices.
