FELLOW MEMBERS:

The Annual General Membership Meeting will be held at the Clubhouse on Monday Night December 10, 1973 at 5:30 P:M. The main purpose of this meeting is to select the nominating committee which will select the new officers for 1974. At this meeting there will also be a vote to make some changes in our current by-laws. Please make every effort to attend this important meeting.

The South End Dinner Dance an annual event of nation wide fame hosted, once again, by Nat (the great one) Calegari will be held at the Clubhouse on Saturday Night December 8, 1973. The donation for this gala event is \$15.00 per couple. The no host cocktails will start at 6:30 P:M with dinner starting about 8:30. Please make your reservations early as this will be a quick sellout and tickets are limited. See either Nat Calegari or Boathouse Captain Ray Savigliano for tickets. Incidentally, this years function will not require the men to wear black tie and tails and Calegari promises to watch his language. This promise relates only to the night of the function and not at any other time.

It is through this kind of cooperation that our club survives year after year.

Handball Commissioner Al Maysk reports that Howie Wyrtsch was the only Southernder to receive a trophy in the San Jose Labor Day Tournament finishing second with Frank Elias in the Master Doubles.

The Master Doubles is now under way with many excellent teams vying for the top spot. There is no truth to the rumor that the schedule of games is made by computer to insure fairness.

The Bay Counties Handball League will start in the latter part of October. If interested in playing please contact Bob DesMeules, Larry O'Sullivan, Rich Hackett or Al Masyk.

The annual open doubles tournament for 4 classes will start November 17, 1973 deadline for entries is November 5, 1973.

Remember the General Membership meeting on December 10th and the Christmas Dance on December 8th.
