GYM COM.

Recently we added a shower scale to the room; also purchased a stationary bicycle and a treadmill. I had brought in a football blocking bag and now it has disappeared. I hope you members keep the room clean and in order at all times. If you think we can use some other equipment please contact me. Bob Des Meules - 7 Balhi Court, San Francisco, CA 94112

BOAT HOUSE CAPTAINS REPORT

Kindly use the mop in the locker quarters, a wet floor is dangerous and slippery. The wooden boats are solely for rowing, no fishing - use the aluminum boats. Lights on thruout the boathouse - watch it. Please - the sauna to be used as a sauna - a health spa - not a dryer-laundrette. Construction is going on in the cook's shack. Soon, we hope, things will get back to normal. Please air out your lockers - a clean swab goes a long way. Ray (Mr. Clean) Savglano

Remodeling of the kitchen is well under way. Lighting fixtures, ceiling and new windows are installed. The kitchen will be ready for the Golden Gate swim.

At the latest Board of Directors meeting, the board voted to have a \$ 5,000 accidental death policy and a \$ 5,000 blanket accident medical policy for all the members of our club. This will cover on the premises of the club as well as all the club sponsored activities. The premium for this coverage is going to be \$ 3.00 per year per member. More on this later.
